Children are eligible when they are “Dependent Children” as defined in, i.e., your unmarried children, stepchildren if the signature of your spouse (i.e., the natural parent) is included in the Enrollment Form for the benefit, or legally adopted children; provided such children are dependent upon you for financial support and maintenance and are (1) at least 14 days old but under age 26; or (2) age 26 or older and disabled, provided that they became disabled before attaining age 23 and cannot support themselves because of mental or physical handicap.

As to all other benefits provided for children, your children (including stepchildren, legally adopted children, and foster children placed with you by an authorized placement agency or court order) are eligible when they are less than twenty-six years old.

If your child is mentally ill, developmentally disabled or mentally retarded, or has a physical handicap when coverage would end because of the child’s age, coverage (other than life) may be continued if, within thirty-one days after the date benefits would normally cease, you submit proof of your child’s incapacity to Administrative Services Only, Inc.
