## Get Involved in YOUR Union.

CWA Local 1181 is looking for members who want to become Delegates and train to help other members. This is a great way to learn more about the union and how we represent our members on and off the job.

If you are interested in becoming a CWA Local 1181 Delegate, you must collect information and signatures from 25 active, dues-paying members. Once approved, you will need to participate in Delegate training and upon successful completion of that training, you will receive an official CWA Delegate Certificate.
