

Become a CWA Local 1181 Delegate

If you are interested in becoming a CWA Local 1181 Delegate, you will need to collect information and signatures from 25 active, dues-paying members. All information for each member must be completely filled out legibly as it will need to be verified by the Union. Any information that cannot be deciphered and/or verified will be disqualified.

Once you have obtained the information and signatures from 25 active, dues-paying members, please submit the forms to greenec@cwalocal1181.org.

After all information is verified, you will be contacted by President Rebecca Greene. You will need to participate in Delegate training and upon successful completion of that training, you will receive an official CWA Delegate Certificate.
