

NOTICE OF PRIVACY PRACTICES

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

INTRODUCTION

This Notice of Privacy Practices ("Notice") describes how **CWA LOCAL 1181 SECURITY BENEFIT FUND** ("Plan") may use and disclose your protected health information ("PHI") as well as your rights regarding PHI created, received, maintained, or transmitted by the Plan. The Plan is required by the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), as amended, and regulations thereunder, to maintain the privacy of your PHI, provide you with this Notice, and abide by the terms of this Notice. This Notice also explains the Plan's legal obligations regarding your PHI and your legal rights concerning your PHI held by the Plan.

PHI is all individually identifiable health information (including demographic data relating to an individual's past, present or future physical or mental health or condition; the provision of health care to the individual; or the past, present, or future payment for the provision of health care to the individual) held or transmitted by a covered entity or its business associate, in any form or media, whether electronic, paper, or oral.

When using or disclosing PHI the Plan makes reasonable efforts to limit the PHI to the minimum necessary to accomplish the intended purpose of the use, disclosure, or request.

If substance use disorder records are disclosed to the Plan for treatment, payment, and health care operations, the Plan may further use and disclosure such records to the extent the HIPAA regulations permit such disclosure, except that such uses and disclosures may not be for civil, criminal, administrative, and legislative proceedings against you.

The Plan will not use or disclose records, or testimony relaying the content of such records, in any civil, criminal, administrative, or legislative proceedings by any Federal, State, or local authority, against you unless authorized by your consent or as authorized by a court order provided (1) you have received notice of the potential use or disclosure and an opportunity to be heard on the use or disclosure; and (2) the court order authorizing the use or disclosure is accompanied by a subpoena or other similar legal mandate compelling disclosure.
